Dear Law Enforcement Friends,

In a sincere effort to keep our youngsters safe and drug free, our department is coordinating our annual SafetyPup® program. Our child safety and drug prevention education program reaches our young children ages five through twelve. The National Child Safety Council (NCSC), a 501(c)(3) tax-exempt, non-profit organization, is once again providing the materials and services for our program.

Our department has carefully selected the materials we will be distributing this year. We are hopeful you will support our program by sponsoring some of the children for this most worthwhile program.

**25 children @ \$75.00      50 children @ \$150.00      100 children @ \$300.00**

With grateful appreciation for your help, **your name or business name** will receive recognition on the prestige page of all work/study manuals this year.

You can show your support of our SafetyPup® program by making your check payable to the **NATIONAL CHILD SAFETY COUNCIL** and mail to my attention at **320 Bell Street – Bellville, Ohio 44813**. *Your prompt response will assure recognition on the program this year.*

Your NCSC contribution is tax-exempt (Federal Tax ID #38-6035290) and stays in our area for our children. This is the only program of its type that we sponsor each year.

Please accept our heartfelt appreciation for your dedication and concern for the safety and well-being of our young children. Together, we can work to keep our children safe, healthy and happy as children are meant to be.

Sincerely,

A handwritten signature in cursive script that reads "Chief Ron Willey".
